

## RISTORANTE ENSAMA PESCE

**Ensama** restaurant was founded in 2013 by the chef **Sabino Triglione**, in order to share with his friends and guests his passion for the quality of raw materials and the art of eating well.

Freshness is the base of all dishes, presented with elegance and with a touch of creativity.

It is an essential cuisine, where the main protagonists are the ingredients, especially the fresh fish that is delivered to us every morning.

At Restaurant Ensama you won't find a menu; the pursue of freshness impede it. The dishes are prepared according to the catch of the day available from our trusted vendors.

The restaurant with an open kitchen will allow you to appreciate the cleanliness, order, and the skill of the chef and his staff intent in the preparation of the dishes.

The elegant setting, as well as the warm and imaginative mise en place, create the ideal environment for a lunch or a dinner that you will enjoy with all senses.
